Dear Mr Walker

This letter is to confirm the support of Seddon Construction Ltd for TQUK's suite of qualifications in "Design Engineer Construct! The Digital Built Environment" as follows:

TQUK Level 1 Certificate in Design Engineer Construct! The Digital Built Environment
TQUK Level 2 Certificate in Design Engineer Construct! The Digital Built Environment
TQUK Level 3 Certificate in Design Engineer Construct! The Digital Built Environment
TQUK Level 3 Diploma in Design Engineer Construct! The Digital Built Environment

We welcome the opportunity to recommend that these qualifications are acknowledged by Government as valid, rigorous, and worthy of recognition for performance table points, giving them academic equivalency and thereby encouraging their uptake in schools.

Furthermore, we have actively supported schools offering the Design Engineer Construct! Learning programme and qualifications for a number of years, and recognise their worth in the education of the next generation of young professionals.

Alison Watson and A Class of Your Own are a quite marvellous organisation. In my role as National Chair for the 14-19 C&BE Education Group, I visit many University's Colleges and Schools around the country, and nothing, but nothing, I have seen covers what they produce for young people. Interestingly for teachers also as they really bring learning to the fore. I am proud to help and work alongside them anytime.

Yours sincerely

ROY CAVANAGH MBE
