Mr Andrew Walker
Training Qualifications UK
Dunham House,
Cross Street
Sale,
M33 7HH

16th March 2018

Dear Mr Walker

This letter is to confirm the support of Norbury Manor Business and Enterprise College for TQUK's Technical Certificates in "Design Engineer Construct! The Digital Built Environment" as follows:

TQUK Level 1 Certificate in Design Engineer Construct! The Digital Built Environment
603/1991/4

TQUK Level 2 Certificate in Design Engineer Construct! The Digital Built Environment
603/1992/6

These courses are excellent pathways for students wishing to study a number of Level 3 courses including the Level 3 Design Engineer Construct certificate/diploma and Product Design. Students studying DEC at Level 3 often do so in combination with A levels in maths and physics or with geography.

We sincerely hope that these qualifications are acknowledged by Government as valid, rigorous, and worthy of recognition for performance table points, giving them academic equivalency and thereby encouraging their uptake and enabling young people to access exciting professional and technical career pathways into the digital built environment.

Yours sincerely

Amanda Compton
Head Teacher
