Dear Mr Walker

This letter is to confirm the support of Newcastle University/School of Engineering for TQUK's suite of qualifications in "Design Engineer Construct! The Digital Built Environment" as follows:

TQUK Level 1 Certificate in Design Engineer Construct! The Digital Built Environment
TQUK Level 2 Certificate in Design Engineer Construct! The Digital Built Environment
TQUK Level 3 Certificate in Design Engineer Construct! The Digital Built Environment
TQUK Level 3 Diploma in Design Engineer Construct! The Digital Built Environment

We will be actively supporting schools offering Design Engineer Construct! – these qualifications are recognised by Newcastle University/School of Engineering as contributing to the entry requirements for a range of undergraduate courses alongside other qualifications at the same level.

Furthermore, we welcome the opportunity to recommend that these qualifications are acknowledged by Government as valid, rigorous, and worthy of recognition for performance table points, giving them academic equivalency and thereby encouraging their uptake in schools.

Yours sincerely

Dr Ruth Vater
