

Scheme for Learning Lesson 1

GLH: 1

Learning Outcome:

E1. Establish the team's mission for the project

- A clear and concise statement that outlines the team's mission
- Appropriate use of language
- Reference to research into existing mission statements

Learner Activity	Teacher Guidance
<p>Learners can work as a team or assign team members to develop a company mission statement. Learners should research existing examples and try to encapsulate their own values and aspirations into a short statement.</p>	<p>In each presentation, teams should make reference to their vision as a design company; come up with a great name for their organisation and let judges know their mission in life...</p>
